Military Registration Proclamation.

Pursuant to the Act of Congress of May 18, 1917, and the proclamation of the President thereunder, requiring all males between the ages of twenty-one and thirty, both inclusive, to present themselves at their accustomed voting places for registration, I, Horace F. Graham, governor, hereby prescribe the following regulations for the conduct of such registration in Vermont:

The registration will be conducted on the fifth day of June, 1917 from 7 o'clock a. m., to 10 o'clock p. m., at the usual voting places in the towns and cities. The proper authorities of the towns and cities will cause the voting places to be suitably prepared for the purpose.

A board to conduct the registration in each town and city is hereby constituted, to consist of the moderator or mayor as the case may be, the town or city clerk and the town or city health officer. The moderator or mayor will be chairman and executive officer of the board, the clerk will be chief registrar, and the health officer, the surgeon. Vacancies in the board will be filled by the governor.

The Federal Government authorizes pay for registrars, and the chairman of the local registration board may appoint registrars upon the basis specified in the federal regulations. Additional registrars may be appointed if such volunteer to serve without pay. It is confidently hoped and expected that all registrars will be willing to serve gratuitously, and I ask that no citizen of Vermont shall accept pay for this patriotic service. All registrars must be citizens of the United States and legal residents of their respective towns or cities; they should be competent clerks whose handwriting is neat and legible and they will be required to take the oath as prescribed in the federal regulations.

Town and city clerks have been furnished with complete instructions relating to the registration of persons absent from their home towns, or too sick to present themselves for registration.

Sheriffs and county clerks will perform the ministerial duties prescribed for them in the regulations published by the bureau of the Provost Marshal General of the United States pertaining to the registration, except as herein otherwise specified. The several towns and cities will be regarded and treated as precincts within the meaning of said regulations.

All town, county and state officials are hereby enjoined to render such services in connection with the registration as may be required of them by federal or state authorities.

The Adjutant General at the State House will furnish information and printed forms.

Your earnest and full compliance with the terms of this proclamation of the President and with the terms of this proclamation will be evidence not alone of those enrolled but of the whole people that, having taken up this war, we intend to carry it unflinchingly to the end. We are with our lives as one nation, determined that government by the people shall continue for all time.

All persons concerned are required to take due notice hereof and govern themselves accordingly.

Given under my hand and the Great Seal of the State at Montpelier, this nineteenth day of May, 1917.

Horace F. Graham, Governor.

By the Governor: Harrell, Secretary of Civil and Military Affairs.

LIBERTY LOAN COMMITTEE.

Local Men Named to Stimulate Subscriptions to Bond Issue.

H. R. Cutler, C. S. Webster, C. A. Barrows and E. W. Barron of Barton, C. D. McGuire of Albany, F. T. Porter of West Burke, A. C. Chase of Greensboro Bend and F. M. Sears of Irasburg, have been named a local committee to explain to the people the particulars of the "Liberty Loan" bond issue of the government and stimulate subscriptions to the loan.

It was pointed out that the bond issue must be purchased by the people. The banks cannot put their money into the loan for the reason that at this time more ready cash is needed by them to supply farmers, business firms, and other borrowers, than would be the case did ordinary conditions prevail.

For those who have not a sufficient sum of money at the present time to purchase a bond, terms will be made, leaving no excuse for ignoring the nation's appeal to her people.

The government is raising the vast sum so that the men who are to be called in the draft, to come shortly, will have sufficient clothing, food, housing, equipment, and the many other necessities to their comfort. They will not have these things if the government has not the money to purchase them with. The men to be benefited come from the people who are asked to buy these bonds, and those that stay at home should surely be willing to contribute to the comfort of their own fathers, husbands and brothers.

Denominations run as low as \$100 and \$50, bear interest at the rate of 3 1/2 per cent, are free from taxation of all kinds and may be bought in installments.

smashed yesterday when it overturned near the railroad crossing at the passenger station. No one was hurt and the truck continues to do business minus these accessories.

Resolutions of Brownington Grange on the death of Aaron Willey.

Whereas, the great Ruler of the Universe, in His infinite wisdom, removed from our midst our worthy and esteemed fellow-laborer, Aaron Willey; and

Whereas, a long intimate relation held during a long membership by him with the members of this Brownington Grange, P. of H. No. 279, makes it fitting that we record our appreciation of him; therefore, be it

Resolved, That the wisdom and ability which he has exercised in aid of our order by counsel, service and attendance be ever remembered;

Resolved, That the sudden removal of such a patron from our Grange, in which he has held leading positions for many years, leaves a vacancy and shadow that will be deeply realized by all members of the order and its friends, and will prove a grievous loss to this Grange and the community;

Mrs. Lillia Lang.

Mrs. Lillia Lang died at her home on Park street Monday morning after a long illness.

Lillia White was born in Greensboro Sept. 30, 1864, the daughter of Royal and Mary White. She was united in marriage Nov. 29, 1887, to Frank B. Lang in Craftsbury.

Mr. and Mrs. Lang were residents of Barton several years, building a beautiful home near the Park, where they lived until the family moved to Newton, Mass., about two years ago. While in Newton, Mrs. Lang suffered a severe illness, entering the hospital for treatment from which she received little help.

After the death of Mr. Lang the family returned to Barton since which time Mrs. Lang has gradually failed until her death.

Mrs. Lang was a member of the Order of the Eastern Star and deeply interested in its work, a past worthy matron of the order, Past Grand Master of the Grand Chapter and Grand Representative of North Carolina. She was a member of the Congregational church and ever ready to help in all its work.

Mrs. Lang was a woman loved and respected by all who knew her, of more than ordinary ability and her life in the home, the church, and the community has been helpful and inspiring and her memory will be cherished by many.

She is survived by her daughters, Mildred A., and Glendolene M., who have most tenderly cared for their mother during her long illness, and one son, Clarence A., four sisters and two brothers. Following a prayer at the home this morning, services were held at the Congregational church at 10 o'clock, Rev. W. A. Warner officiating. Miss Marion Redfield sang and the members of the Eastern Star and senior class of which Clarence is a member, attended in a body.

Resolved, That with deep sympathy with the afflicted relatives and friends of the deceased, we express an earnest hope that even so great bereavement may be overruled for our highest good; and

Resolved, That these resolutions be published in the local papers and entered in the records of this Grange; and a copy of them be sent to the family.

Wm. Davies, O. A. Grow, G. A. Going, Committee on Resolutions.
